WHAT WE DO:

The Willow Domestic Violence Center builds safer communities through shelter, services, and support to survivors of domestic violence and human trafficking.

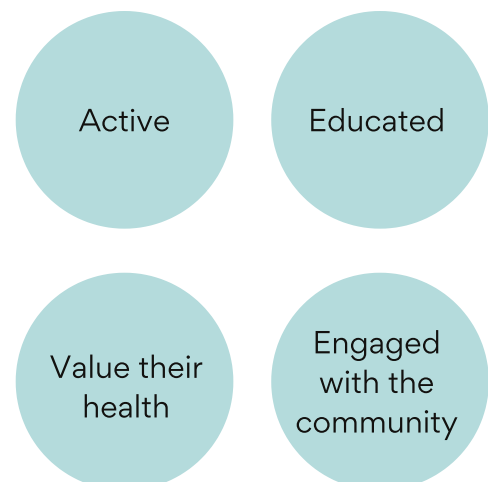

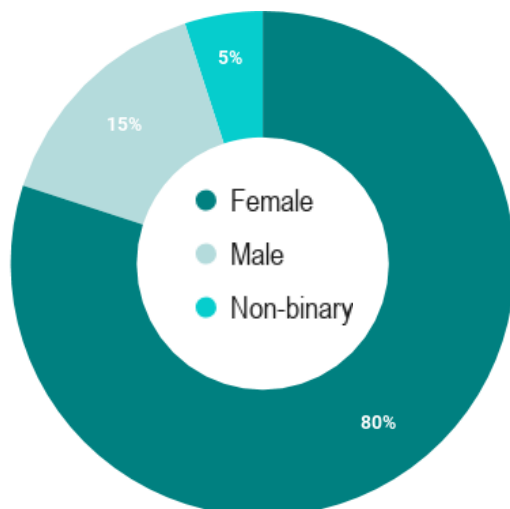

This year the Willow added a second shelter, allowing us to serve up to 20 more survivors and their families with 90-day stays to give them the best chance possible to start lives free from violence.

WHAT'S DVAM?:

Domestic Violence Awareness Month is a nationwide campaign each October reaching thousands of supporters across the county.

..... OUR SUPPORTERS:

30-50% of transgender
folks will experience
domestic violence.

We can help.
By providing safe shelter.
By providing
information.
By providing hope.

Help us break the
cycle of violence in
all of our
